* Product is supplied VAT-free if you have a medical condition and complete a “VAT Declaration”
All orders + £10 courier carriage charge (up to 4 covers any size)

For practical reasons we recommend you consider having two WPVP mattress covers, mainly because this enables one to be in use whilst the other is being washed and dried. Moreover, as manufacturing and administrative time is saved when making two covers of the same dimensions for one order at once, we are able to offer a significant discount for two covers – and ordering two covers at the same time also means we can send out with only one courier charge for carriage.
